

**Public Affairs Society  
University of California, Los Angeles  
Membership Application 2005-2006**

The Public Affairs Society was established to promote undergraduate student interest in domestic policy and international affairs. PAS is a non-partisan organization that focuses on providing undergraduate students with opportunities for career development, academic advancement, and intellectual enrichment. We strive to educate and foster collaborative discussion in the areas of public policy, social welfare, and urban planning, between undergraduate students, faculty, and administrators.
